ELCA "GOOD GIFTS"

Christmas shopping? Your Social Ministry Team can help!

We will once again be sponsoring ELCA "Good Gifts" on

Sundays, November 2nd and 9th.

This program provides more than 50 different gift-giving options that fight hunger and transform lives. Such gifts, starting at \$10, provide direct support for the churchwide ministries of the ELCA. An animal can make a world of difference for a family in need. Animals provide food to eat, fertilizer to grow crops and offspring to sell at market. With such a gift, you can help a family escape the cycle of hunger and poverty for good. Contributions can also be made toward projects such as safe water developments and educational opportunities. Need a gift for that "hard to buy for" someone? When you purchase your Good Gifts, you'll get an ornament and/or card for that special someone to show you're honoring them by giving to those in need with their name in mind. Say "goodbye" to traditional gift-giving and hello to meaningful gifts that really make a difference in the world. Bring your checkbooks!

How it Works

"ANNUAL WOOD HAUL" EVENT

Saturday, November 8th

The Annual Wood Haul Event is woven into the fabric of CLF and has been an important part of our ministry for many years. We continue to work in partnership with the Red Shirt Community on the Pine Ridge Reservation. Please feel welcome to join in this experience lending a hand where you can. We can always use more dry firewood. If you have wood you'd like to contribute, please join us. We will be leaving the CLF parking lot at 9:00 am. (We will also be delivering clothes for children.)

WELCOME ROB CONN!

As many of you are aware, Augie Henye has made the decision to retire from his position as our Custodian. Thankfully, he will still be an active member and volunteer for CLF. We will be planning a special appreciation celebration for him soon, but in the meantime, we are excited to announce that we have hired Robert Conn as our new Property Manager. Rob recently relocated to Custer from Nebraska and is excited to join our staff. Rob has an extensive background in Manufactured Home building as well as experience working with general contractors in the construction industry. He will be working approximately 20 hours per week with a flexible schedule, but if you are around during the week, feel free to stop in and introduce yourself and give a warm welcome to Rob!

SIDEWALK SNOW REMOVAL

While CLF has a contractor to keep the parking lot clear of snow, we need volunteers to keep the sidewalks clear. CLF has shovels and two snow blowers on site. (As well as chicken grit for icy spots.) If you need a lesson on how to operate the snow blowers, contact Brad McKinney at 308/641-1741 or any number of experienced CLF snow shovelers. You choose which days work best for you. If you can't commit to a full week, that's OK. Sign up for the days that work for you. Sign-up at the Welcome Center in the Narthex.
A clean sidewalk reflects a clean heart. - Expectations 1:1

BUILDING AND PROPERTY CHANGES FOR INSURANCE PURPOSES: LOCKS AND KEYS

Across the country insurance premiums for almost everything are rising, and our property insurance for CLF is definitely impacted. For the second year in a row, we were told that our insurance was being dropped for reasons out of our control, and thankfully we were able to find a company that would carry us. Our new carrier came and did an assessment of our property and gave us quite a list of things that we are required to do in order to keep our insurance policy current. The estimated cost of all of the improvements will be nearly \$45,000. Fortunately, we won't have to pay for it all in 2025, as some of the contractors will be able to split the payments between 2025 and 2026. With these updates will come a few changes to our building. One of the changes has to do with the keys and security of our building. Because there has not been a list that has been kept current of key holders to the church, we are getting all new locks on the exterior doors. There will be a master key that will be kept in the office and that the Pastor, Office Manager, and Property Manager will have. There will be a key for the exterior Office Door that will be made and given to key leaders of the church and community who frequently enter when the office is closed, as well as a key to check out for people who only need it for special circumstances. The door that has a code will be converted to a key lock. The work on these locks will begin this month. The office door will always be open during office hours, but the other doors will remain locked unless there is a special activity happening. It may take some time to remember, but please start the practice of entering the church during the week from the office door.

The list of projects that are currently in the process of being updated for insurance purposes include:

- Replacement of all of the sprinkler heads
- Re-keying all exterior doors
- Placing water sensors beneath the boilers and water heaters
- Adding 12 inches of mulch underneath the playground equipment
- Replacing the wood stove in the parsonage
- Placing carbon monoxide sensors in the areas where people could potentially sleep (down under, Sunday school rooms, parsonage)

TURKEY, TURKEY, GOBBLE, GOBBLE, EAT TOO MUCH YOU'LL WOBBLE, WOBBLE!

As we turn our calendars to November, my hunch is that most of us start thinking about the holidays and likely our holiday pace has already picked up! For some, this feels exciting, and for some it feels stressful, and for most, I'm guessing it's a combination of both.

Since this is the month to focus on Thanksgiving, I first want to express my gratitude for each and every one of you. Daily, several times a day, I feel a deep sense of gratitude for the privilege of serving Custer Lutheran Fellowship. When October and Clergy Appreciation month rolls around, it is always humbling, and I thank you for the ways you take such good care of me. Your kind words of support and encouragement, your thoughtful cards and gifts, and your prayers are deeply appreciated.

The holiday of Thanksgiving always brings mixed emotions for me. They range from deep gratitude for all the abundance in my life to deep sadness for the inequity in our world when it comes to shared resources. Something that Darryn and I would like to do this year is to share our abundance with anyone in our congregation who would like to have a community Thanksgiving Dinner. This is open to our whole congregation, but especially for those who perhaps don't have any big plans for the day of Thanksgiving.

If you don't already have plans for the day, you are invited to join us at 1pm at the church for a traditional Thanksgiving Dinner that Darryn and I will prepare for you. We do ask that you sign up so that we know how much food to prepare. There is a sign up sheet at the Welcome Center in the Narthex, but you can also email or call me directly to sign up. If cooking something is a really important part of your day, we will have a sign up sheet for a few things, but we plan to cook the majority of the meal. If you feel like sticking around and helping with clean up, you are welcome to, but not expected to. This is a small way that we can give back to you, and to show our appreciation for being part of the CLF family.

My prayer is that together, we can shift our focus from the stressful pace of the holidays, to the joyful reality of the many gifts that God showers us with. The best gift of all is the Love of God that brings us together each week to gather Jesus' table of Grace! Thanks be to God!

With deep gratitude, your sister in Christ, Pastor Shannon

SPARK KIDS

Join us for SPARK Kids! During the school year on Wednesdays, children from Kindergarten through Grade 5 are picked up at the Elementary building after school is dismissed and brought to the church. LEFSE MAKING

Please join in the fun on November 22, at 9:00, to make Lefse! We are planning to make lots of Lefse to sell the next day at our Craft and Goodie Sale after services. Proceeds will be donated to local missions. If it is too crowded in the kitchen, we plan to set up tables in the fellowship hall. Bring your Lefse dough, rolling pins, electric griddle, etc. If you don't have experience, we would love for you to come anyway and help wherever you can. Once the Lefse has cooled, we will fold and package them to sell. There are many recipes, but here is one that works well:

Lefse

5 pounds Russet potatoes

1/4 cup butter, room temperature

1/4 cup heavy cream

1 tablespoon white sugar

2 Teaspoon salt

1 cup of flour per 2 cups of potatoes

Boil the potatoes until tender and drain. Put potatoes through a "ricer" twice. Mix in butter and cream while warm. Cover with paper towels and let them cool in the refrigerator overnight.

Add sugar, salt, and flour mixing with your hands. It's best to use kitchen gloves while working. Roll into a log. Cut and measure 1/3 cup round balls. Heat the special Lefse griddle to the highest temperature 500 degrees. Cover the board and rolling pin. Using extra flour, roll until about 14". Fry until golden brown spots appear, then turn it over so both sides are golden. It only takes a minute or so. Place the Lefse rounds on paper towels or dish towels to cool. Once cool, fold them and place in a baggie or wrap in Saran Wrap.

WELCA HAPPENINGS

Next meeting: Monday, November 17th at 11:30 in the Fireside Room. Meeting will begin with a potluck luncheon at 11:30.

Program: Judy Baldwin will share information concerning her collection of 70 *"Twas the Night Before Christmas"* books.

The program for our October meeting was the Thank Offering Service. Our theme this year was "Giving Thanks to God—All Day, Everyday" or simply put "There is Always Something to be Thankful For". Ladies shared thoughts concerning those two statements. Some of the meeting attendees brought devotionals, Bible verses or poems concerning being thankful. It was an informal and enjoyable meeting. We all agreed that it is important to appreciate our many blessings but even more important to express our appreciation for those blessings to God and the folks around us.

We also approved our budget for 2026 and discussed officers for next year. Barb Lewison presented details for a project at St. Dysmas concerning putting together Christmas goodie bags. We approved the support of that project in the amount of ???

We have two events coming up during the weekend of November 22nd and 23rd. On Saturday, November 22nd, there will be a lefse making party in the church kitchen at 9:00 in the morning. All are invited to bring lefse making equipment and dough and flour to make lefse to be sold at the Craft and Goodie Sale on Sunday, November 23rd. The lefse party is being coordinated by Bonnie Thompson. If you have any questions, please feel free to see Bonnie or any member of W/ELCA. We appreciate your help with this project and we promise that you will have fun!!

The Craft and Goodie Sale will be held after worship on November 23rd. Folks are invited to donate food or craft items and/or to shop for the many impressive items that will be on sale. It has become an event that we look forward to at CLF. Donated items can be labeled for the sale and left in the sewing room anytime in November. They can also be dropped off in the Narthex at church between 9:30 and 10:30 the morning of Saturday, November 22nd.

Thanks in advance for your support of these two events. They make it possible for the W/ELCA ladies to support folks in need at the local, national and international levels. We concentrate on needs at the local level, but we are also open to the fact that sometimes God leads us to help in a more broad arena.

Speaking of local needs, we are collecting items for the Storehouse in October and November. Please see the list of items that are posted on the ox cart in the Narthex if you would like to help with this mission.

We wish each of you a Thanksgiving full of blessings and much happiness!

QUILTERS

What a blessing to have these ladies in our church quilting faithfully and continuing to give of themselves and the beautiful creations they complete! They are truly a blessing that we are extremely grateful and thankful for!

FALL ENROLLMENT SPOTLIGHT: A PEEK INSIDE THE GROWING ROOTS CLASSROOM

We're delighted to share an update on the exciting activity happening in our program this fall! We currently have **18 bright students** exploring and learning in our dynamic environment.

Our Daily Flow

Our day begins with parents dropping off students directly in the secure outdoor play area, allowing the children to start their day with movement and fresh air. We then transition inside for our focused **morning work period**, where students engage with Montessori materials.

Around 11:00 AM, the children transition to their mid-day break, where they are responsible for key life skills: **washing their own dishes and cleaning up their dining spot**, before heading outside again after lunch.

Half-day students are picked up at **12:00 PM**, while our full-day students enjoy a peaceful nap period before returning to more work time and afternoon outdoor play, with pick-up by **5:00 PM**.

Focusing on Grace, Courtesy, and Cosmos

These first months are dedicated to establishing essential **routines and procedures**, as well as the fundamental Montessori principles of **Grace and Courtesy**. These lessons play a vital role in fostering a harmonious

community. Students practice greeting peers, promoting inclusivity, and demonstrating good manners and respect—skills that serve them far beyond the classroom walls.

Academically, our students are currently immersed in a grand study of the **Solar System**! This central topic has led to exciting extensions, including hands-on explorations of **volcanoes, different rock types, and the science behind crystal creation**.

We are so grateful to be able to host this program and look forward to sharing more updates soon!

FUNDRAISING EFFORTS CONTINUE FOR SELECT-A-GIFT

After a successful raffle this summer, the Select-A-Gift Committee is continuing its efforts to raise \$25,000 in support of our program to provide Christmas gifts to the lower-income residents of Custer County. Last Christmas, we gave \$30 gift cards and presents to 670 people, the majority of whom are adults.

Our next fundraising effort is generously facilitated by The Custer Beacon – it's Bingo at the Beacon! Just show up at 6:30 pm and play every Wednesday from now until December 17th and you'll be helping us raise funds while having a chance to win cash for yourself.

We will also have our Select-A-Gift trees set up in various locations beginning November 3. This year's locations are the Custer Chamber of Commerce, The Custer Beacon, South Dakota Outdoor Shop, Highmark Federal Credit Union, and Dacotah Bank. Several churches will also have drop boxes available before and after services: Custer Lutheran Fellowship, St. John the Baptist Catholic Church, Custer Community Church, and Our Redeemer Lutheran Church.

Donations may also be sent by mail to Select-A-Gift, PO Box 366, Custer, SD 57730, or you can use the Venmo QR code on one of our posters or Facebook page. We need to raise funds by December 5 as we'll purchase gifts in advance of the Community Christmas distribution on December 20.

If you are a Custer County resident who could use some help this Christmas, please call Donna at 605-440-0518 or inquire at The Storehouse to see if you qualify for this program. If you have any questions about Select-A-Gift, please text/call Juli at 970-391-9921. And thank you for your continued support for this important program.

SD DAY OF GIVING

Growing Roots is participating in the SD Day of Giving on December 2nd, 2025. They will be raising funds to help with the cost of replacing the sprinkler heads and maintenance of the fire suppression system at Custer Lutheran Fellowship. We will share more information as we receive it in our bulletins and on Facebook.

Custer Lutheran Fellowship

Our Mission ... is to plant the word of God, nurture growth in children and adults, and scatter the seeds of joy and faith in a diverse community.

We envision Custer Lutheran Fellowship to be like the Black Hills themselves, an inviting community in which God's Spirit blows through people – like wind through the pine – life that is forever new! God's spirit inspires us to be:

A **worshipping** community, hearing the life-giving Word of God receiving Christ's very presence in the Sacraments, and raising our voices in joyful songs of praise and prayer;

A **growing** community, with building and grounds spacious enough for all;

An **intergenerational** community, nurturing children and youth, young adults, people in mid-life, and older people as one family of God;

A **learning** community, in which people of all ages take advantage of multiple opportunities to deepen their understanding of the grace and justice of God;

A **giving** community, generously offering our time, talent and treasure to support each other and share in Christ's ministry;

A **serving** community, reaching beyond ourselves to stand with the poor, the sick, the hungry and the oppressed;

A **witnessing** community, eager to share with everyone the joy we have received from Christ.

***We believe in the Cross and
our risen Lord and
that through Christ
we have eternal life***

Our Bedrock Beliefs are...

We grow in faith through worship and sacraments

The Word of God is our hope, Support comes from within our family of believers who see and serve Jesus in others

Through prayer we evoke God's love and power as the Spirit intercedes for us "with sighs too deep for words to express"

In crisis God is our strength. He is all loving and accepting and He helps us through these times.

We have faith only through God's grace.

Our Core Values are:

*Faith, Family, Mission,
Service, Worship*
